A WEEKEND CELEBRATING RECOVERY!

Why do we register?

Registration pays for the hotel facilities that are used for the convention. These fees are also used to help carry the NA message in our region and world wide. The fees also help us to provide for our newcomers. As the fellowship grows, so does the demand for meeting space. This means we look for larger facilities, at an increased cost. Our 7th tradition states

"we should be fully self-supporting, declining outside contributions."

What is the purpose of ARCNA?

The purpose of the Arizona Regional Convention of Narcotics Anonymous is to stimulate growth for the local fellowship and encourage unity with an annual celebration of experience, strength, hope, and recovery.

Newcomer Policy

The number of newcomer registrations given out will correspond to the number of donations that are received. Newcomer registrations are reserved for those with less than 90 days clean time, who cannot afford the price of registration. Newcomers receiving a registration packet will be asked to give what they can by being of service through Host & Hospitality. Registrations will be given away through our registration table.
